Ontario...yours to discover!

Activities for Fall 2023!

'Yours to Discover' is Ontario's motto and we plan on doing just that this Fall. We have three activities ready for Fall, 2023. ① We had a great trip to [Camp RKY](#) during the second week of September. We did an orientation, canoeing, swimming, and hiking in the Canadian wilderness. The students made lots of great memories and started new connections with other international students during their trip. ② We went to Niagara Falls October 15 and had a fun time visiting the Falls and Clifton Hill area. ③ CN Tower and Shopping in Toronto in December! We are all looking forward all our fun experiences in Ontario!

Students are trying out for a New Sports Season in Limestone!!

International students are trying out for Girls Volleyball, Boys Basketball, Ice Hockey, Curling, Swimming and Skiing for our next set of sports! Our students play against other teams and complete in the [KASSAA](#) league.
